SPECIAL NOTES & BILLING POLICIES

- Delivery, relocation, and pick up of storage units is charged hourly portal-to-portal with a two-hour minimum. Rates listed on front page are for standard deliveries with adequate access. Access issues may result in additional charges. Cranes are available to place ocean containers in tight locations, prices vary on location and site conditions.
- Storage units cannot be delivered without a signed lease agreement. Leases may be renewed at the end of the term by contacting the office.
- Availability of any given storage unit type or size cannot be guaranteed. To reserve a unit for a future delivery, Montana Crane Service will commence the lease on the date of reservation and regular rental rates will apply for the duration until the trailer is released from lease.
- Approximate inside dimensions of storage units are 8' wide by 8' high.
- Water tightness of storage units will be checked to the best of our ability but cannot be guaranteed. It is not recommended to store unprotected sensitive goods in these trailers. Montana Crane Service is not responsible for any contents damaged due to weather and/or precipitation events.
- Damage of any kind for any reason whatsoever to the storage unit or its contents while in Lessee's possession is solely the responsibility of the Lessee.
- Customer is responsible for providing access to storage drop locations. This includes a safe, adequate tow of all equipment to dry ground if the equipment is required to leave paved or graveled roadway at the customer's expense.
- Parking for leased trailers is available, subject to space, in Bozeman and Belgrade. Trailer door(s) must be locked by the Lessee; theft or damage to contents of unlocked storage units on Montana Crane Service property is solely the responsibility of the Lessee.
- It is the responsibility of the customer to ensure items are packed appropriately and secured within the storage unit if the unit is to be relocated with items stored inside. Skid containers will not be moved with items stored inside.
- Skid containers can only be loaded with the main door facing the rear of the truck. Please plan drop locations accordingly.
- Roadworthiness of semi van trailers will only be guaranteed for one year from initial delivery. Additional costs to inspect and re-certify semi vans will apply before any trailer relocation and/or pickup can occur.
- Weekends, holidays, hours before 6 A.M. and after 6 P.M., and hours over eight hours per day on site will be charged as overtime hours at \$25.00 per man hour.
- Installation of tire chains in-route, on-site, or pre-loading will be billed to the customer at the labor and equipment rates listed.
- Job site conditions and specific tasks can require additional personnel. Additional labor will be billed to the customer at the labor rates listed.
- Monthly rental payment terms are Net 30. Storage rental is billed quarterly but monthly payments must be made to keep the account current. Recurring credit card payments can be set up upon Lessee's request. Amounts not paid when due will be subject to a service charge of 1% per month until paid in full. Repossession of storage units will occur when monthly rent is greater than 90 days past due.
- Montana Crane Service, Ltd. reserves the right to change rates and policies without notice.
